The Objectives of the Dover Society

founded in 1988.

- to promote high standards of planning and architecture
- to interest and inform the public in the geography, history, archaeology, natural history and architecture of the area
- to secure the preservation, protection, development and improvement of features of historic or public interest.
- And commitment to the belief that a good environment is a good investment.

The area we cover comprises the parishes or wards of Barton, Buckland, Castle, Lydden, Temple Ewell, Maxton, Pineham, Priory, River, St. Margarets-at-Cliffe, St. Radigund's, Town and Pier and Tower Hamlets.

Members receive three *Newsletters* a year and in each year the Committee organises about ten interesting events - talks, tours, visits, a Members' Meeting, a Christmas Feast, etc.

The Society gives Awards for improvements to the area, monitors planning proposals and supports, joins in or initiates civic projects and arts events.
