Generally welcomed by most members who look forward to the changes. Marina extension very good. Superstore – some concern about design and planning, Crucial development for the tourist future of Dover. IMPACT to work with Dover Harbour Board

SEA FRONT and ADJACENT AREAS

Suggestions:

Emphasis on flower beds all along the seafront to produce impressive and elegant gardens.

Landscaping of Marine Court garden. Query? Could this be opened up? Landscaping of area along roadside from Leisure Centre to East Cliff. Tidying of Moat Bulwark. "History" board there.

East Cliff and Athol Terrace – attention to pavements and footpaths. Could these be paved in line with new A20 pavements? Some bollards and design similar to Castle Street.

Signposts to the pedestrian cliff walk.

Woolcomber Street – garage forecourts and corner area at junction with Townwall Street – flower beds, painting, seats, etc.

Signposts for pedestrians to Castle.

Western end of promenade – attention to all approaches to the sea from the town and from the Western Docks development area to make this feel like a seaside town. Maintain sea-front seats, particularly those 'In Memoriam' as of old.

GENERAL

As well as larger schemes, some already planned by IMPACT, it was felt that Dover has a lot of attractive places, buildings, parks and that these could be improved by general cleaning, tidying, paving, landscaping, etc. to make the most of the existing good features of the town.

Membership News

Individual Membership: £4.00 p.a. (1st April - 31st March)

Joint membership: Two members, same address, one copy Newsletter: £6.00 p.a. Current membership 406.

Our total membership is now an encouraging 406 but we lose about twenty members each year – not from carelessness but through natural causes. Please use whatever means you can to encourage new members.

Unfortunately, some old friends have not yet paid up for 1993/94. They will be hearing from me but I would be most grateful to hear from them first!
