The Rolls Memorial on the Seafront

Some Dovorians are showing concern and interest in the possible move of the statue of the Hon. Charles Rolls – the first man to fly the Channel both ways non-stop – from its present position in front of a public convenience to a site more dignified and suitable.

Two possibilities are being canvassed – on the lawn in front of the Gateway, where it could be installed within feet of its actual pre-war position and where it would complement the bust of Capt. Webb, or on to the new promenade at East Cliff.

If you have a strongly held view as to the most appropriate site, please write to the Editor and say so, or alternatively you could write to Budge Adams at 24 Castle Avenue, Dover CT16 1EZ
