Election of a Society President

During August it was the pleasure of the WHPS to welcome its first President, John Peverley, who has been a long term supporter of Dover's Western Heights and who has written on the history of the area. His book: *Dover's Hidden Fortress* remains extremely popular as a reference book and is regularly consulted by members of the WHPS. We look forward to working with John in the years to come.

Once again the last few months have been very busy and there is much more the WHPS hopes to do. We have many plans for major work that can be achieved with the right financial backing. To continue our work the Society needs the support of its members, who we thank for all their help so far. We are also encouraging new members to join and welcome ideas from anyone that can further our work. To find out more or to join please contact the Hon. Secretary at: 66 Union Road, Deal, Kent CT14 6AR or visit the site:

Situated at the United Kingdom's closest point to Continental Europe, the Port of Dover is a vital link for tourism and trade.

Over 21 million passengers, three-and-a-half million cars and 165, 000 coaches pass through the port on its ferry services to Calais in 1997. Added to that, over 1.6 million freight vehicles used the port's freight services to Calais and Zeebrugge carrying about 40 per cent of the UK's non-fuel trade with mainland Europe.

But the port's record year did not end there. Dover became Northern Europe's busiest cruise port for turnaround calls handling 128 visits involving more than 140, 000 passengers. Its marina enjoyed record numbers of visitors and its cargo terminal consolidation in the fresh fruit and vegetable markets.

Dover - a leading light in the European ports and shipping industry.
