The Dover Society Websites

**[old] www.doversociety.org &
[new] www.doversociety.org.uk**

In 2010 there were over 20,000 visits to our website, in 2002 it was only 110. The content has now grown to a level that requires a new more sophisticated ability to handle the data. It will take a year to achieve the switch over, meanwhile both sites will be accessible. The new website has a powerful search facility and the content will be more visible to the search engines.

The Dover Festival www.doverfestival.info

This event, held every four years, leads to an increase in media attention that gives other local events a boost. Bigger and better events are planned for 2012 with the committee working hard to market Dover and enrich the lives of the community. The Queen's Jubilee and the London Olympics are the major events but Charles Dickens and his many connections with Dover could provide a theme.
