River Dour Partnership

Jeremy Cope

The volunteer clean up parties working under the direction of White Cliffs Countryside Partnership continue to do great work. People often do not realise that work on the river is not permitted in winter. This is the fish breeding season - fish can shelter under pieces of rubbish just as well as the cover of river plants, hence, without "clear ups" the greater spread of litter at this time of year.

At our recent public meeting our committee was confirmed, Ray Newsam, Martina White, Deborah Gasking, Anita Luckett, Sue Bradford and myself. Our job is to push for more input into the Dour improvements. We have a new fish pass at Minnis Lane and another to come at Morrison's weir. Funding is from the Environment Agency and Up on the

Downs with applications to Dover Town Council and Dover Big Local. Our funding bids will also, we hope, result in new equipment for the volunteers.

Through Dover Big Local we are part of the Dover Coastal Community Team and have included a bid for funding with projects to make a significant impact on the river. This is at an early stage but this could be an important development for the river.

If you have an interest in the Dour and would like to volunteer then you would be welcome. Choices include working on the river, fund raising and writing letters. Please contact me on 01304 211348 or Sue Bradford at White Cliffs Countryside Partnership 01304 241806
