

# Dover is Awakening

Alan Lee

At last there are things stirring in the town. We have had this year an increased number of activities within the town. These have included, amongst others The Town Hall Tours, Dover Greeters, Film Festival, Dover Big Local Hub, Dover Music Festival, Dover Regatta, River Dour Walks, Blues Festival, Walking Festival, Bluebird Trail, Western Heights Open Days and Tours, Heritage Open Days, Urban Fete and the Tudor Festival.

Up on the Downs and the White Cliffs Countryside Partnership have organised a summer of diverse activities to suit everyone. This included many activities for the younger generation under the banner of the Green Gang.

Dover Big Local have taken a number of initiatives aimed at improving the environment and the health and wellbeing of local people. They have taken the lead on forming a group to attract more tourists and visitors into the town. A Makers Market aimed at getting 18 to 30 year olds into business start-ups regularly appears in the precinct.

Dover Town Team, Dover Harbour Board and many other groups are now working more closely together to bring improvement to the area and to enhance the lives of local people.

Let us all pull together and continue this most welcome trend.
