New Committee Members Required

This is an appeal to members to come forward to take part in the running of the Society. Our Chairman, Secretary, Treasurer and Membership Secretary have been heavily involved in the work of the Society over many years. They are at a stage when they need others to take over their roles. This appeal is not only in respect of the roles above, but in the work of the Society generally.

offer the sort of skills and interest we need, then contact either Derek Leach, phone 01304 823926 or by email derekriverdale@btinternet.com or Jeremy Cope, phone 01304 211348, email jeremycop@willersley.plus.com or any committee member. They will be happy to discuss the work of the Society and the input that is needed.

If the Society is to have a future, we need a committee with a younger membership. By younger we mean anyone with the interest and time.

The future of the Society is at stake. We still do not have a date for our Annual General Meeting cancelled in April. Members will be notified as soon as it can be arranged.

Please, if you feel you are able and willing to

It is the time to start to make changes.
