

THE DOVER SOCIETY

SHOP FRONT AWARD 1989

Have you yet made your nomination for The Dover Society's Shop Front Award?

The Award is to be made for the first time this year and will go to whichever shop a panel of five judges considers makes the best individual contribution to the appearance of the Town.

Good looking shop fronts make a big difference to the quality of the environment and they help to attract shoppers into the Town. Nominations for the Award may be made by the shopkeeper, by his or her customers or by any member of the public. Full details of the Award, with the rules and notes on what to look for in a good shop front are obtainable from the Dover Express offices or from the Society or you can just complete the nomination form below.

Next time you're out shopping pause and look at the shops across the road. You will see a lot of things you've never seen before!
