12. A O B

Peter Booth (DODS) is arranging a meeting with DDC re publicity boards in Dover. We have already made our thoughts on this subject known to DDC.

LG., like Martin Luther King, has a vision ! What better situation than Dover for the dreamt of (Mr. Major's dream) monument to mark the link with Europe at the end of the century and the millenium ! A good note to end on.

Date of next meeting :

Thursday 11 March, at 7.30 at Cambridge Terrace.
