Current total : 387 ( Total " turnover " 526 )  
2 new members, from outside the area.

8. Planning sub-committee

A hand-out was available outlining the month's activities.

(a) IMPACT.

LG was particularly encouraged by work in the Development sub-committee.  
Particular attention to traffic circulation in relation to the town.  
KW reported on the Business Support sub-committee. Present policing  
arrangements in the town were criticised. More support/help needed  
for existing business, while also thinking of attracting new  
business. Full use not always made of available information.  
P. Court will improve this.  
JG was impressed by what has been achieved with Gravesend Town Centre.

(b) Western Docks Development

Our support in principle and reservations in detail were recorded and  
taken into account by the DDC Planning Committee and were echoed  
in the KCC comment.

(c) Visitors Centre : Langdon Cliffs :

LG to invite architects to address D.S. committee : April or May,  
possibly in the IMPACT office.

(d) Proposed War Memorial : Marine Parade Gardens

LG and KW to write respectively on the architectural/ aesthetic  
and the social/ human considerations to Frontline Britain '94,  
DDC Planners and Dover Express.

JG and LG indicated how the Society's opinions are influential.

9. Editor

All in hand for the April number of the Newsletter. Plenty of copy;  
some will be held over. Will include tear-off booking forms.

10. Projects.

The D.S. did more than an acte de présence : active support  
at Crabble Mill.

13 Mar '94 Cadets : Sticker eyesore. Presentation by Chairman.

23 April '94 Tidy Britain. Litter. W. Heights.

2 May '94 Pageant

26 May '94 Beach clean-up : Aycliffe school-children.
