

### The Millenium Project

The hand-out : "Dover 2000", prepared by ML and BA reports the public meeting of 12 May.

83 attended. 100 questionnaires had been received.

As previously agreed, copies of Dover 2000 will be sent to all those who attended the meeting or who wrote in after.

( Photocopying and envelopes by courtesy of BA )

Aspects considered were as follows :

1. The commission is set up and guide-lines for submissions are announced " for this summer " - which apparently could mean as late as November !
2. Preparation of the guide-lines is under great pressure to change from "a handful of grand projects " to an even distribution around the country.

(Source : M.P.)

i.e.  $\pm$  200m ? or  $\pm$  2m - 10m maximum, each.

2. The attitude of DDC ( Dover, Deal, Sandwich ) to a Dover project and the party divisions and the internal party divisions of DDC.

It was decided that no action could be taken until there was more information about the guide-lines.

When there is more information IG would invite a very small group ( e.g. MP DDC DHB representatives ) to convene in order to decide the constitution of a Steering Group. This might consist of :

MP  
DDC, officers and councillors  
DHB  
Chamber of Commerce  
Dover Society  
Other town organisations.

This body would have as its task to constitute the Working Group/ plc ? which would proceed with the submission.

Date of next meeting : 14 July '94 at 7.30 p.m. at the R.C.P.Y.C.

(The Chairman will be unable to attend.)

## 8. PROJECTS

A certificate had been received from " Get a grip on litter " for work on the Western Heights. ( 23 April)

Thanks had been received for our contribution to the Pageant (2 May). Market research questions had been received and were deferred to the next meeting.

17 June '94 : Cadets' Inspection AJW

## 9. Editor :

All contributions for the Newsletter by the end of June.

## 10. PLANNING

1. Nothing further on the N.T. Visitors' Centre, Langdon Cliffs.

2. The meeting of the sub-committee 28 May worked chiefly to formulate our comments on the KCC Urban Transport Strategy report.

Apart from many minor inaccuracies, the criticism focussed on the fact that it was in no way the radical review which is needed.

3. KCC/DDC sale of land: Elms Vale and Noah's Ark Road :

Our concern is to avoid fiascos like the Cherry Tree Avenue car-breakers' yard and to ensure that DDC control development plans.
