The printing bill ( £150 ) has been paid and any loss was reduced by a generous donation from BA.

It was emphasised that Committee decisions and agreed intentions must be adhered to.

ML expressed the opinion that we should vote formally more frequently and this was strongly supported.

## 10 PLANNING

The re-formed planning sub-committee is up and running and held a first meeting on Tuesday 21 May. Meetings will be held in future on Tuesdays, nine days before Executive Committee meetings.

There is a clear allocation of duties among members, to enable an even spread of work.

(a) AG is investigating an application to extend amusement arcades in Bench Street.

(b) The following matters are to be followed up :

Hoardings at York Street-Townwall Street junction

The obliteration of Burlington House

Re-instatement of the town grants scheme for listed buildings.

Oversight of the Old Park Development.

(c) Our written submission to the public enquiry into Factory shops arrived in time. The inquiry further adjourned until 6 Sep.

A.O.B.

- \* JG informed the meeting about his lecture to DHB about the Society.
- \* JG and JC are sponsoring Sasha Lawrence to begin art photographs of Dover in the hope that outlets for these could be found and long-term use be found for his very real talents.
- \* LW attended the presentation of plans and proposals for the Factory shops in Western Docks : Churchill Hotel : Monday 10 June. Bill Fawcus was presiding. Within the financial limitations the refurbished warehouses cannot be architecturally distinguished but they will not be unworthy nor out of keeping with the refurbished Snargate Street. Rather like a small Flemish waterfront.

I was satisfied that deliveries in Cambridge Road will not be intrusive and the experience of De Bradlei Mill Shop Ltd is impressive. The filling-in of the Slip is not part of the planning application but could be part of a second phase.

- \* S.O.S. Crabble Corn Mill is in serious need of volunteer workers in all areas. If volunteers offer only one morning or one afternoon each week then about a dozen would be needed.

The Secretary Ian Kilbury appeals to the Society.

As we have no meeting before October it was suggested that he write an article for the Newsletter & Deadline : 24 June.

LW  
will inform

The meeting adjourned at 10.45 p.m.

Date of next meeting : Thursday 11 July at 7.30 p.m. at the R.C.P.Y.C.

To: Members of the Executive Committee, Dover Society

From: Jeremy Cope and John Gerrard

Date: June 16, 1996

Committee meeting held on Thursday 13th June 1996

Vardon Recital

We have told AJW about the decision to take up his offer to pay the difference between the collection of £90 and the publicly declared amount of £150 to be given to the East Kent Hospice. However during the discussion it emerged that the Chairman had already paid Terry Vardon's expenses of £50. It seems to us that had the committee been aware that AJW will be called upon to pay £110 in all then we may have arrived at a different decision.

In the circumstances we have asked that this particular matter is put on the agenda for the next meeting.

This of course does not affect in any way the committee's confirmation that its decisions must be observed by all members.

Presentations to LG and KW.

AJW expressed his disagreement with the committee's decision on the presentations to retiring committee members LG and KW. Whilst not agreeing with the chairman it only seems right to us that he should be able to present his arguments at the next meeting.

KFAS Conference

Although it was agreed to pay the £30 cost of printing associated with the conference, AJW confirmed that this would be borne by KFAS and not the Dover Society
