He said that a letter had been received from Kent Police Authority asking for details of any public activities which may have been planned for the forthcoming year. Currently there are none.

### 7) The Treasurer.

Capt. Weston distributed the monthly financial statement. He drew attention to the fact that £110 had been received in donations from two members one of whom had given £100 and wished to remain anonymous. £38 had been collected in subscriptions for next year and £19 had been received from advertising in the News Letter.

He pointed out that £800 had been paid to the printers for the December copies which with the distribution costs brought the cost of the News Letter for the current year to £2032.44. This sum is virtually the whole of the annual subscription revenue, (£2298.) This illustrated the value of the past sponsorship and the need to try and find a sponsor for the next financial year.

There was some discussion about the numbers of copies of the News Letter produced and Mrs Cope undertook to look into the situation

Capt. Weston that there had been a good response up of the 'Gift Aid' scheme and that papers were still arriving.
